

From your VTEEA Champions Representative.....

ITEEA UPDATE

Hello Members!

Fall is here, and with it comes several exciting opportunities to engage and strengthen our professional community.

In this issue, you'll find reminders about conference, awards and recognition opportunities.

Thank you for your continued leadership and advocacy. We appreciate all you do to advance technology and engineering education!

A Few Reminders to Help You Stay on Track:

1. **Registration for ITEEA's 2027 Conference in Louisville is now open!**
Please use [this flyer](#) to begin requesting time off and working on potential funding.
2. **Nominations for ITEEA 2026-27 Awards and Scholarships.**
ITEEA offers a [variety of recognition opportunities](#).
3. **"Share What's Working" by [applying to be part of the 2027 STEM Showcase](#)** in Louisville next spring. It's a chance for educators and administrators to display best practices, innovative ideas, and hands-on activities in integrative STEM education in a low-pressure and fun atmosphere.

What's on the Horizon:

Join the ranks of the STEM Schools of Excellence with [this flyer](#)!

Each year, ITEEA honors exceptional schools through this program, highlighting a school's commitment to delivering a rich STEM experience.
